Gotta Sing I: Performance Coaching

Does your child love singing and showing off at home? If so, let Gotta Sing Coaching delight you and your child as we teach the basic and advanced secrets of professional performers such as discovering your voice as an instrument; learning how to develop the lyrical story; and implementing movement, props and body language to engage the audience. At the end of the session you may purchase a video highlighting your student's singing progress. The last class will feature a live performance for family and friends to enjoy. A \$20 material fee is payable to the instructor at the first class.
